# The National Registry for Conscientious Objection

## AFFIRMATION STATEMENT

*I Hereby Affirm That: Because of my deeply held beliefs about peace, justice and non-violence, I am opposed to the use of violence to settle disputes. Furthermore, I wish to make public my decision not to participate in any group, organization or agency of government that would require from me acts of violence against a fellow human being.*

*I sign The Registry for Conscientious Objection to have my position on peace, justice and non-violence duly recorded as a way of life that I embrace and am totally committed to.*
